

Co-Sponsored Dance Proposal

EOSARDA is actively searching for clubs to co-sponsor dances. As a regional event, the dance must have a reasonable chance of at least breaking even financially. It should include multiple levels of square and round dancing and have the potential to attract a minimum of 120 dancers.

The Board agrees:

- to underwrite any potential loss that the dance may incur
- on request by the club, to advance funds to cover reasonable costs incurred in advance of the dance
- to provide reasonable support, promotion and assistance to the dance at the club's request

The Club agrees:

- to plan, organize and run the dance in a manner consistent with the proposal accepted by EOSARDA's Board of Directors
- to contract for Dance Leaders for the dance as per the club's written proposal
- to manage the finances of the dance (costs and revenues) in a reasonable and responsible manner
- to provide EOSARDA with a timely written report on the results of the dance
- to share any profit from the dance with EOSARDA on a 50/50 basis
